

Solomon Asks for Wisdom

Week 5

God gives us wisdom.

“If any of you lacks wisdom, he should ask God, who gives generously to all without finding fault, and it will be given to him” (James 1:5).

We learned today how God appeared to Solomon in a dream and offered him anything he wanted. And we heard how Solomon asked God for wisdom in order to be a better king. Like Solomon, we need to ask God for wisdom (1 Kings 2:1-4; 3:3-28). Strengthen your family’s faith learning and growth at home with this easy idea.

Parents: Discuss a time you should have asked for God’s wisdom—but didn’t. Maybe you were trying to decide if you should change jobs, or maybe you weren’t sure how to handle a confrontation with a friend. What did you choose to do in the situation? What were the results? Share how you think asking God for wisdom might have affected the situation. Then ask your children to talk about challenges they’re facing this week in which they need to ask God for wisdom. Spend time as a family praying and asking God for wisdom for each situation.

God, we know that you’re wise and you want us to come to you with our problems. We need your help with [name specific situations]. Please give us wisdom for how to deal with each of these situations. In Jesus’ name, amen.
